For all other items as mentioned in the Price breakup of "Bill of Quantities" for sr. no. 1 & 2 of BOQ (Schedule-B) and for sr. no. 3 of BOQ (Schedule-B), payment shall be released after Supply, Installation, Integration among metal hydride storage system, fuel cell system and existing Green Hydrogen generation plant, Testing, Trials, Commissioning, Performance Testing complete in all respect for smooth operation of complete system, after duly verification & certification by TPIA.	100% of rates (i) mentioned in price breakup of "Bill of Quantities" for sr. no. 1 & 2 of BOQ (Schedule-B) and (ii) price mentioned at sr. no.3 of BOQ (Schedule-B).
Sr. No.	Payment Stage for Part - B of BOQ	
1	On submission of monthly bill along with supporting documents after deduction of penalty, if any and a duly verification & certification by TPIA.	100% of monthly rate quoted for respective year of Part-B of BOQ.

Note:

- (a) The payments indicated in above table shall be subject to recovery of balance 5% of Retention Money of PSD as per tender conditions.
- (b) The payment shall be made through RTGS /NEFT within one month and the Contractor should furnish following details: -
 - Bank Payment Agreement Form
 - a. Name of Party
 - b. Account No.
 - c. Branch Name
 - d. Branch Station
 - e. IFSC code of the bank
 - f. MICR code
 - g. Accepted for: NEFT payment or RTGS payment

Declaration by the party

I/We hereby declare that the above information furnished by me is correct and DPA is requested to pay my / our dues to this account for this work is concerned.

Signature of the party with the seal

Declaration by the bank

It is hereby informed that the details mentioned by the party is correct as per our records and any payment made by DPA to this account will be accepted either by RTGS/NEFT.

Signature of the bank manager with the seal.

- 3.3 No Advance payment will be made.
- 3.4 The rates quoted shall be inclusive of cost of materials, packing forwarding, insurances and transportation, except GST under Goods & Service Tax Act, 2017, up to the site.
- 3.5 Payments to the contractor shall be released strictly on certification by the TPIA, accepted by DPA for which contractor has to submit all the required documents for release of payment as per conditions.
- 3.6 Payment will be released for the work after deduction of taxes after satisfactory completion

of work. Any delay in this regard will not attract any interest payable by DPA.

- 3.7 The contractor should submit the bill upon completion of relevant millstones for Part - A of BOQ and monthly basis for Part - B of BOQ along with supporting documents.
- 3.8 The Engineer-in-charge will be entitled to deduct or adjust any sum of money payable by the Agency to the Board under the terms of any contract executed by him or on behalf from their security deposit or from any sum that may become due from the present contract.
- 3.9 Payment shall be made through RTGS against submission of bills in triplicate during the contract. Income tax and surcharge and any statutory deduction thereon at applicable rates shall be made at source.
- 3.10 The contractor shall note that no interest be payable by the Employer for any delayed payments unless otherwise stipulated in tender.
- 3.11 If applicable, the payment from 2nd bill to pre-final bill, shall be released, subject to the condition that the documentary evidence (copy of paid Challan in Govt. Treasury) of the Welfare Cess @1% of work done or as amended by Statutory Authority from time to time, paid to concerned authority is submitted for the previous bill.
- 3.12 In case defect liability period is extended, only the operation service cost as per the rate quoted under Part-B at sr.no. 1, for the respective extended defect liability period on pro-rata basis shall be paid by DPA.

4 The Clause No. 11 of General Conditions of Contract (GCC), Section-II is modified and shall be read as below:

LIQUIDATED DAMAGE:

- 4.1 In case of delay in completion of the contract, liquidated damages (LD) may be levied at the rate of ½ % of the contract value of Part-A, BOQ (Schedule-B) per week or part thereof, subject to maximum of 10% of the contract value of Part A, BOQ (Schedule-B).
- 4.2 The employer, if satisfied that the works can be completed by the agency within a reasonable time after the specified time for completion may allow further extension of time at its discretion with or without the levy of LD. In the event of extension of time at its discretion with LD the employer will be entitled without prejudice to any other right or remedy available in that behalf ½ % (half per cent) of the contract value of Part-A, BOQ (Schedule-B) for each week or part of the week subject to the ceiling of 10% of contract value of Part-A, BOQ (Schedule-B).
- 4.3 The employer, if not satisfied that the works can be completed by the contract, and in the event of failure on the part of the Agency to complete work within further extension of time allowed as aforesaid shall be entitled without prejudice to any other right or remedy available in that behalf to rescind the contract.
- 4.4 The employer, if not satisfied with the progress of the contract and in the event of failure of the Agency to recoup the delays in the mutually agreed time frame, shall be entitled to terminate the contract and forfeit the PSD.
- 4.5 In the event of such termination of the contract as described in clauses (4.3) or (4.4) or both, the employer shall be entitled to recover LD up to ten percent (10%) of the contract value of Part-A of BOQ (Schedule-B) and forfeit the security deposit made by the contract besides getting the work completed by other means at the risk and cost of the agency.
- 4.6 In case part / portion of the work can be commissioned and port operates the portion for commercial purpose, the rate of LD will be restricted to the uncompleted value of work, the maximum LD being on the entire contract value of Part-A, BOQ (Schedule-B).

5 The Clause No. 14 of General Conditions of Contract (GCC), Section-II is modified and shall be read as below:

Defect Liability Period as Warranty:

- 5.1 The defect liability period shall be 12 months with effect from the date of acceptance of the

work by DPA, after successful completion, commissioning and Performance Guarantee Test of the system. Contractor shall rectify the defects as and when observed by the contractor/DPA/TPIA without any cost to DPA.

- 5.2 After successful completion, commissioning and Performance Guarantee Test, during the entire O&M period of two years, if any defect is observed and notified by DPA/Contractor/TPIA/O&M manpower, the contractor has to depute additional expert/Engineers/technicians to rectify the defect. This will not dissolve the responsibility of the contractor to make the plant operation at all the time with required manpower, spares, Consumables, items etc.
- 5.3 Contractor shall provide training and support for the operators and maintenance employees/officials engaged by the contractor himself or as per DPA requirement, whenever requested without any cost to DPA.
- 5.4 In one-year total of 18 days shall be permitted as downtime at a single occasion or in parts for maintenance (routine and breakdown) purpose, this period of 18 days shall be allowed as non-operational days, for which defect liability period shall not be extended. All the non-available days except permissible 18 days of downtime, the Defect liability period shall be extended by the same no. of non-available days. One day shall be calculated after completion of 24 hrs. i.e. less than 24 hrs. shall not be added for extension in Defect liability period. This annual permissible downtime of 18 days shall lapse at the end of each year and not be carried forward to next year. This annual permissible downtime of 18 days shall also be permissible in the second year of comprehensive O&M period or extended period of contract in proportion. To avail this permissible downtime contractor shall inform DPA in written well in advance and a record shall be entered in the site order book duly acknowledged by the EIC or his representative.
- 5.5 The Contractor shall warrant the Board that the goods and services under this contract will comply strictly with all the statutory requirements without violating any patent or legal rights. Contractor shall indemnify DPA for any legal breach of acts & Rules. The Contractor shall further warrant the Board that all materials including but not limited to, equipments and materials supplied by him will be new and fit for their intended purposes for successful execution of the project.
- 5.6 The Board shall promptly notify the Contractor in writing of any claim arising under this Warranty. Upon receipt of such notice, the Contractor shall promptly repair or replace the defective goods and/or services at no cost to the Board.
- 5.7 If the Contractor, having been notified but fails to rectify the defects in accordance with the contract, the Board may proceed to take such remedial action as may be necessary, at the risk and cost of the contractor.
- 5.8 The comprehensive annual operation and maintenance period of 01 year will be reckoned after completion of the defect liability period including any extension.

6 EMPLOYER'S OBLIGATION:

Clause no. 30.1 of General Conditions of Contract (GCC), Section-II is modified and added conditions are as below:

- 6.1 Electricity, water and land for the entire period of DSITC and O&M shall be provided by DPA free of cost. However, the contractor shall make arrangements and install suitable electrical panels with switch & safety gears required for the same. DPA shall provide 220/440 V AC power up to the nearest substation near to GH2 plant at OJ-7 and the contractor shall tap the power available from the provided power source and install all the necessary required infrastructure & arrangements to utilize the power including the cost of man & materials required for it.
- 6.2 The contractor may be provided space near to the project site, for office space, site office, rest room, store & tools space, materials & equipment store, free of cost. Contractor has to arrange for shelters/containers as per their own requirements, only the space shall be provided by

- DPA. The space shall be utilized only for the purpose of this project work and shall be maintained by the contractor for usability, safety, maintenance, upkeep and hygiene of office space cum staff rest rooms etc. Any damage/alteration in shape & size of the land provided shall be made good by the contractor after completion of the work.
- 6.3 Hydrogen Gas shall be provided by DPA up to storage cascade at 1 MW plant site at Kandla and for reference to the contractor the indicative data available for Green Hydrogen produced up to 30 bar having purity of about 99.9% with oxygen content up to 100 ppm and water vapour up to 900 to 1000 ppm respectively.
- 7 The Clause No. 32 of General Conditions of Contract (GCC), Section-II is not applicable.**
- 8 The Clause No. 45 of General Conditions of Contract (GCC), Section-II is not applicable.**
- 9 The Clause No. 46 of General Conditions of Contract (GCC), Section-II is modified and shall be read as below:**
THIRD PARTY INSPECTION:
- (i) The Third Party Inspection Agency (TPIA) shall be arranged by DPA and cost shall be borne by DPA, contractor shall well in advance request for required visit of TPIA. The visit of TPIA shall not be misused, i.e. if for same purpose TPIA called more than twice with same defects, cost towards TPIA (as per actual DPA rate) shall be recovered from the bills of the contractor.
 - (ii) TPIA/DPA shall carry out witnessing of applicable tests for metal hydride based hydrogen storage & fuel cell and pre-dispatch inspection as per documents submitted by the contractor.
 - (iii) TPIA of DPA will verify the design, drawing, documents, list of equipment, etc. submitted by the contractor for the subject work along with verification of the items/equipment received at site as per list, material inspection at manufacturer's work/ site, dispatch clearance from manufacturer's work, as per documents submitted by the contractor. TPIA will also verify and certify all the payments raised by the contractor as per documents/ list of items submitted by the contractor and terms & conditions of the contract.
- 10 The Clause No. 55 of General Conditions of Contract (GCC), Section-II is modified and shall be read as below:**
The contractor shall follow all the safety regulations and requirement of statutory compliances including Indian Electricity rule/act. For the requirements of Electrical certification/license for HT & LT works shall be complied by the contractor at their cost.
- 11** The party shall give unequivocal acceptance of the LoA within 7 days of receipt of LoA issued by DPA.
- 12** Work Order shall be sent through Email/Fax/Post/Courier. All mode of dispatch shall be treated as valid for the purpose of date of receipt.
- 13 Contract Period:**
- 13.1 The Contract shall be effective from the date of issue of Work Order. The work shall be completed within 06 (six) months from the date of work order. Operation & maintenance service shall be consisted of 2 years including one year of operation service during the defect liability period and one year of comprehensive operation and maintenance service.
- 13.2 Any notice to the agency shall be deemed to be sufficiently served, if given or left in writing or email at his usual or last known place of abode or business.

- 13.3 No compensation shall be payable to the contractor on account of delay in work caused by DPA for whatsoever reason however, DPA will consider extension of time, if the work is delayed on DPA's account.

14 COMPLIANCE OF RESTRICTIONS FOR COUNTRIES WHICH SHARE LAND BORDER WITH INDIA:

Restrictions under Rule 144(xi) of the General Financial Rules, 2017–Reference OM no. 6/18/2019 – PPD dtd. 23.07.2020 (along with any subsequent clarifications/ amendments thereof) issued by Ministry of Finance, Public Procurement Division (<https://doe.gov.in/procurement-policy-divisions>).

- (II) Any bidder* from a country which shares a land border with India will be eligible to bid in this tender only if bidder is registered with Competent Authority. The Competent authority for the purpose of registration shall be the Registration Committee constituted by the Department of Promotion of Internal Trade (DPIIT) of Govt. of India. (* In case of domestic tenders, the term “bidder” shall mean domestic bidders as defined under clause III below)
- (III) “Bidder” (Including the term ‘Tenderer’, ‘Consultant’ or ‘Service Provider’ in certain contexts) means any person or firm or company, including any member of a consortium or joint venture (that is an association of several persons, or firms or companies), every artificial juridical person not falling in any of the descriptions of bidders stated herein before, including any agency branch or office controlled by such person, participating in a procurement process.
- (IV) “Bidder from a country which shares a land border with India” means:
 - a) An entity incorporated, established or registered in such country; or
 - b) A subsidiary of an entity incorporated, established or registered in such country; or
 - c) An entity substantially controlled through entities incorporated, established or registered in such country; or
 - d) An entity whose beneficial owner is situated in such a country; or
 - e) An Indian (or other) agent of such an entity; or
 - f) A natural person who is a citizen of such a country; or
 - g) A consortium or joint venture where any member of the consortium or joint venture falls under any of the above.
- (V) “Beneficial owner” for the purpose of para (III) above will be as under:
 - 1. In case of a company or Limited Liability Partnership, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person(s), has a controlling ownership interest or who exercises control through other means. Explanation:
 - a. “Controlling ownership interest “means ownership of an entitlement to more than twenty-five percent of shares or capital or profits of the company;
 - b. “Control shall include the right to appoint majority of the directors or to control the management or policy decisions including by virtue of their shareholding or management rights or shareholders agreements or voting agreements;
 - 2. In case of a partnership firm, the beneficial owner is the natural person(s) who, whether acting alone or together, or through one or more juridical person, has ownership of entitlement to more than fifteen percent of capital or profits of the partnership;
 - 3. In case of an unincorporated association or body of individuals, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person(s), has ownership of or entitlement to more than fifteen percent of the property or capital or profits of such association or body of individuals;
 - 4. Where no natural person is identified under (1) or (2) or (3) above, the beneficial

owner is the relevant natural person who holds the position of senior managing official;

5. In case of a trust, the identification of beneficial owner(s) shall include identification of the author of the trust, the trustee, the beneficiaries with fifteen percent or more interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership.
- (V) An "Agent" is a person employed to do any act for another, or to represent another in dealings with third person.
- (VI) The successful bidder shall not be allowed to sub-contract works to any contractor from a country which shares a land border with India unless such contractor is registered with the Competent Authority.

Note: Bidder shall submit Form - 9 for compliance of land border restriction for compliance.

15 Penalty:

- (i) At least one technical manpower capable to operate and maintain the complete system installed by the contractor in general shift, i.e. 10:00 AM to 6:00 PM or as per requirement of DPA, at site shall be deployed by the contractor for the entire period of O&M including defect liability period with extension if any. If required suitable and sufficient manpower/any surveyor for specialized work/certification shall be deployed by the contractor at their own cost for the entire period of contract to look after round the clock O&M, including holidays. Any misbehavior or manpower deployed found in intoxicated condition, replacement shall be made by the contractor on immediate basis after receipt of intimation from EIC. In case of non-availability of at least one suitable manpower for Successful O&M of the system installed by the contractor, penalty @ Rs. 1000/- per day shall be deducted from the bills of the contractor.
- (ii) Penalty @ Rs. 100/- per hr. shall be levied on the contractor for non-availability beyond 18 days of permissible downtime including extension of defect liability period. Same shall be deducted by DPA from the bills or any dues payable to the contractor.

SECTION – IV

SCOPE OF WORK

1. This section describes certain broad & indicative requirement to which the contractor shall work, but this shall not absolve the contractor from his responsibility to carry out the work in apt and proper manner and acceptable in all respects as per standard practice even if there is any omission in the prescribed scope/ specification. Any items or equipment not specifically mentioned in this specification, but required to make the plant as complete, safe, operable & consistent with good engineering practices and applicable standards, applicable regulations like PESO, NFPA, state/central Govt. approving authorities, etc. shall be provided by the contractor and shall be deemed to have specified.
2. The contractor is advised to inspect & survey the site for assessment and clear understanding for the requirements. DPA will not entertain any claims in the regard. The contractor shall design the System/Plant/Equipment/Services after due considering the climatic conditions and saline environment prevailing at Deendayal Port site.
3. The broad scope of work for *“Design, Supply, Installation, Integration, Testing & Commissioning of Metal Hydride technology based Green Hydrogen Storage System and Fuel Cell based Power Generation for Port Applications at Deendayal Port Authority, Kandla”* which includes but not limited to, Metal Hydride technology based hydrogen storage system, Fuel Cell, allied equipment, pressure regulation system, for the required quality of Hydrogen purification & filtration units shall be in the scope of the contractor, protection container housing for metal hydride unit & Fuel cell units, batteries, safety gear, audio-visual alarming system, Control instrumentation, PLC-SCADA based Automation control system for safe & efficient operation, Computer/HMI units, all required sensors, automatic valves, various gauges and transmitters, electrical power and control cabling, HSE plan and Quality assurance plan, all associated piping & accessories, civil work, all associate work, project management services and operation service, compliances to the relevant safety standards, norms and regulations etc.
4. Contractor shall arrange for all the statutory certificates and requirements for the **Metal Hydride technology based Green Hydrogen Storage System and Fuel Cell based Power Generation system**, DPA will provide the authorization to apply/submit for the requirement on behalf of DPA as and when requested by the contractor. DPA will reimburse for all the statutory fees, subject to production of original receipt after successful test, trials & commissioning of the complete system. Procuring and obtaining all the Necessary permission/clearance/consent/certification/license/NOC required for the installation, commissioning & operation of the **Metal Hydride technology based Green Hydrogen Storage System and Fuel Cell based Power Generation system** shall be in the scope of the contractor.
5. The contractor shall design and provide the complete Metal Hydride technology based Green Hydrogen Storage System and Fuel Cell system considering saline environmental condition and shall be protected from dust/dirt/rain etc. with suitable container for portability. It shall be the contractor’s responsibility to provide and construct the necessary support/foundation for the containers. The containerized system shall be portable as plug & play type compatible to shift the complete Metal Hydrate and Fuel cell system together for demonstration at any other location after charging the Metal Hydride.

6. The Metal Hydride based storage system shall be compatible with the green hydrogen generated by the existing 1 MW Green Hydrogen generation plant at Oil Jetty no.-7 at Kandla, Gujarat. Hydrogen system shall be compatible to use the available quantity and quality at site and contractor is advised to visit the site and access the availability of Hydrogen at site. The system shall have longer durability, compact, modularity, continuous pressure at outlet, ease of transportation & utilization, safe operation, portability.
7. The output power shall be compatible with single & 3-phase both at output power for various use of DPA e.g. EV charging, High mast light, street lighting etc. Contractor shall provide at least one no. of EV charging facility for one four wheeler & one for two wheelers at site at suitable location with safety & control equipments.
8. The technology provider has to ensure for the legal use of any patented technology and shall indemnify Deendayal Port Authority from any kind of patent rights claims. Any legal or commercial claims what so ever raised if any shall be dealt and settled by the contractor/patent provider/technology provider them self, DPA will not be any part of it for what so ever reasons.
9. If any type of intellectual property (IP) generated from this Metal Hydride technology demonstration shall be shared with DPA at least for 50% share in IP generated.
10. The project shall be executed with best workmanship and all safety precaution shall be take care by the contractor/technology partner for installation of metal hydride based hydrogen storage and fuel cell-based power generation demonstration plant.
11. **The contractor shall submit the following parameters:**
 - (A) FUEL CELL:
 - (i) Type:
 - (ii) Rated Power (Min.):
 - (iii) Rated Output Voltage (Approx):
 - (iv) Rated Current (Approx.):
 - (v) Fuel Pressure:
 - (vi) Fuel Consumption per kWh:
 - (B) METAL HYDRIDE TECHNOLOGY BASED HYDROGEN STORAGE SYSTEM:
 - (I) Storage Capacity:
 - (II) Storage Pressure:
 - (III) Refilling Rate, Pressure & Temperature:
 - (IV) Discharge Rate, Pressure & Temperature:
 - (V) Refilling time:
 - (VI) Life Cycle:
 - (VII) Composition of Metals in Metal Hydride.
12. Port Entry permit for the labour, officials and materials if required shall be arranged by the contractor/agency/technology partner, DPA may assist by issuing up to letters in this regard.
13. Contractor at site at their cost, shall arrange for all the consumables, tools & tackles, equipment, materials, manpower, lodging, fooding, transportation for their employees & material, temporary site office/containers/shelters, instruments, safety requirements, legal & statutory requirements, insurances (personals, materials and execution) etc. required for the successful execution and completion of the contract including operation during defect liability

period & O&M period with extensions, if any. Arrangement for storing the materials, tools etc. will also have to be arranged by the contractor. The DPA shall not be responsible for any theft/loss of any materials, tools, etc. stored/brought by the contractor for execution of work.

14. The metals used in the Metal Hydride shall be available in India. Land border clause mentioned under Section-III, clause no. 14 shall also be applicable for the materials used in this Metal Hydride technology. Same shall be mentioned in the Form-9 of Section-VII of this tender document.
15. Contractor shall be responsible for any damage, theft and fire during the execution of the subject work for his own property. The contractor shall also be responsible for the damages caused to DPA's property due to the reasons attributable to the contractor.
16. Contractor shall keep the site reasonably clean during execution of works from all unnecessary obstruction, store or remove any surplus material clear away any wreckage, rubbish or temporary works from the site and remove any contractor equipment no longer required for execution of the contract. After completion of the work the contractor will hand over the clear site devoid of all debris, unused material etc. to the satisfaction of DPA.
17. In case of any damage arising out of negligence, ignorance, malafide intention of the Contractor, same shall be made good at the cost of contractor including the cost of material/spares within a reasonable period of time acceptable to DPA, failing which the cost of the damages assessed by DPA shall be deducted from the bill or shall be recovered from any due amount payable to the Contractor.
18. The contractor is solely responsible for transporting the equipment/material, machinery with proper packaging and labour at his own cost and is also obliged to arrange for and obtain all necessary permissions, permits, consents and licenses. All the equipment shall be suitably protected, coated, covered or boxed and crated to prevent damage or deterioration during transit, handling and storage at Site till the time of erection. The Contractor shall be responsible for any loss or damage during transportation, handling and storage, installation till commissioning.
19. The contractor shall carry out the necessary test and trail for demonstrating the performance of the Metal Hydride technology based Green Hydrogen Storage System and Fuel Cell based Power Generation system in the presence of DPA & TPIA.
20. The contractor shall provide a sets in soft copy and three sets in hard copy duly authenticated by the contractor for the design & drawings, Block Diagram, Process Flow Diagram, P&ID, Material of Construction (MOC), Electrical and Control wiring diagrams, PLC software, Technical manual with specifications of installed equipments, test & calibration certificate of equipment, statutory certificates, List of vendor's name, list of all spare & consumables, list of critical spare, SOPs, operation and maintenance manuals with schedules, reports on pre-commissioning and Performance test etc. the documents submitted by the contractor shall be the property of DPA, who shall have the right to use them for future projects or procurement without any additional cost reference to contractor.
21. It is the responsibility of the contractor of ensuring the timely calibration of all instruments, sensors, gauges etc. during the tenure of O&M including cost. Contractor & technology provider shall undertake to support after sales service for minimum of 10 years towards this demonstration system.

22. Extension of defect liability period shall be paid at the same rate as quoted by the contractor at sr. no. 1 of Part-B (Schedule-B). After completion of defect liability period including extension, if any, comprehensive annual operation and maintenance shall be provided by contractor/technology partner and the monthly rate shall be as quoted by the contractor at sr. no. 2 of Part-B (Schedule-B). The same can be extended up to 01 year, with same terms & conditions and rate quoted by the contractor for comprehensive annual operation and maintenance.
23. The contractor shall provide list of consumables & spares within 3 months after commencement of Operation of the plant for complete O&M of the plant, same shall be maintained by the contractor for the entire period of contract i.e. one year of defect liability period and one year of comprehensive annual operation & maintenance including extension period, if any. At the end of the contract, all the consumable and spares shall be handed over to DPA. In case of shortage, equivalent amount obtained from the marked shall be deducted and that shall be final and acceptable to the contractor.
24. The contractor should strictly follow all statutory rules & regulations like labour law, insurance, safety norms & regulations etc.
25. It shall be the responsibility of the deployed staff by the contractor to look overall safe and efficient operation of the complete system delivered by the contractor including the maintenance. The deployed staff shall maintain and monitor the plant process parameter i.e. efficiency, purity, rate of generation, storage, pressure, temperature and etc. for the safe and efficient operation of the plant. Required documentation shall be maintained by the staff of the contractor.

SCHEDULE – B
BILL OF QUANTITIES (BOQ)

Subject: “Design, Supply, Installation, Integration, Testing & Commissioning of Metal Hydride technology based Green Hydrogen Storage System and Fuel Cell based Power Generation for Port Applications at Deendayal Port Authority, Kandla.”

Sr. No.	Item Description	Unit	Qty.	Rate (Rs.)	Amount
1	2	3	4	5	6
Part – A: DSITC					
1	Supply of Metal Hydride Technology based storage system for min. 3Kgs. of hydrogen gas storage along with all necessary statutory certification including but not limited to all piping, valves, fittings, filters, gauges, control & safety devices, essential components, etc. required for successful commissioning and smooth operation of system complete in all respect as per scope of work.	LS	1		
2	Supply of continuous power Fuel Cell of suitable capacity to generate single & three phase power output of minimum 4 kW, compatible with hydrogen tapped from the metal hydride based storage along with all necessary statutory certification including but not limited to power distribution, breaker, batteries, communication interfaces, redundancy, all piping, valves, fittings, gauges, control & safety devices, essential components, plug & play etc. required for successful commissioning and smooth operation of system complete incomplete in all respect as per scope of work.	LS	1		
3	Installation, Integration among metal hydride storage system, fuel cell system and existing Green Hydrogen generation plant, Testing, Trials, Commissioning, Performance Testing complete in all respect for smooth operation of system as per scope of work.	LS	1		
Total Amount (Part – A) (Rs.) (Excl. of GST)					
Part – B: OPERATION & MAINTENANCE					
1	Complete operation service of the installed demonstration plant for the period one year after commissioning as per scope of work.	Month	12		
2	Comprehensive operation and maintenance service including spares & required manpower of one year for the installed demonstration plant after completion of 1 st year of operation service as per scope of work.	Month	12		
Total Amount (Part – B) (Rs.) (Excl. of GST)					
Total Amount (Part – A & B) (Rs.) (Excl. of GST)					
Total Amount (Part – A & B) (Rs.) (in words):					

Note:

- i. Contractor shall visit the site for complete understanding of the scope of work and actual quantification of the proposed job and quantum of the work.
- ii. The rates shall be inclusive of all equipment, transportation, labour, materials, consumable, tools & tackles, etc. charges, taxes, Cess, Duty etc. except GST.
- iii. Items in BOQ are indicative only and all the requirements shall be in the scope of the EPC contractor to complete the work for successful commissioning and delivery to DPA, complete in all respect.
- iv. The successful Bidder shall submit the ***Price breakup of "Bill of Quantities"*** for ease of payment containing the breakup of detailed components required for successful execution and commissioning of work of "Design, Supply, Installation, Integration, Testing & Commissioning of Metal Hydride technology based Green Hydrogen Storage System and Fuel Cell based Power Generation for Port Applications at Deendayal Port Authority, Kandla." as per tender requirement for Sr.no.1 and Sr.no.2 of Part-A (DSITC) of Schedule-B, along with name of items, quantities & rate within 30 days after issuance of "Work order".

SPECIMEN LETTER OF INTEGRITY PACT

(To be executed on Rs. 300/- non-judicial stamp paper)

INTEGRITY PACT BETWEEN

DEENDAYAL PORT AUTHORITY (DPA) hereinafter referred to as "The Principal"

AND

(Name of the bidders and consortium members) hereinafter referred to as "The Bidder / Contractor"

Preamble: The Principal intends to award, under laid down organizational procedures, contract(s) /concession(s) for Tender No. The Principal values full compliance with all relevant laws of the land rules, regulations, economic use of resources and of fairness / transparency in its relations with its Bidder(s) and / or Contractor(s).

In order to achieve these goals, the Principal will appoint Independent External Monitors (IEMs), who will monitor the tender process and the execution of the contract for compliance with the principles mentioned above.

Section 1 - Commitments of the Principal

- (1) The Principal commits itself to take all measures necessary to prevent corruption and to observe the following principles:
 - (a) No employee of the Principal, personally or through family members, will in connection with the tender for, or the execution of a contract, demand, take a promise for or accept, for self or third person, any material or immaterial benefit which the person is not legally entitled to.
 - (b) The Principal will, during the tender process treat all Bidder(s) with equity and reason. The Principal will in particular, before and during the tender process, provide to all Bidder(s) the same information and will not provide to any Bidder(s) confidential / additional information through which the Bidder(s) could obtain an advantage in relation to the tender process or the contract execution.
 - (c) The Principal will exclude from the process all known prejudicial persons.
- (2) If the Principal obtains information on the conduct of any of its employees which is a criminal offence under the IPC / PC Act, or if there be a substantive suspicion in this regard, the principal will inform the Chief Vigilance Officer and in addition, can initiate disciplinary actions.

Section 2 - Commitments of the Bidder(s) / Contractor(s)

- (1) The Bidder(s) / Contractor(s) commits themselves to take all measures necessary to prevent corruption. The Bidder(s) / Contractor(s) commits themselves to observe the following principles during participation in the tender process and during the contract execution.
 - a. The Bidder(s) / Contractor(s) will not, directly or through any other person or firm, offer,

promise or give to any of the Principal's employees involved in tender process or the execution of the contract or to any third person any material or other benefit, which he / she is not legally entitled to, in order to obtain in exchange of advantage of any kind whatsoever during the tender process or during the execution of the contract.

- b. The Bidder(s) / Contractor(s) will not enter with other Bidders into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non- submission of bids, or any other actions to restrict competitiveness or to introduce cartelization in the bidding process.
 - c. The Bidder(s) / Contractor(s) will not commit any offence, under the relevant Prevention of Corruption Act / Indian Penal Code / PC Act; further the Bidder(s) / Contractor(s) will not use improperly, for purposes of competition, or personal gain, or pass on to others, any information or document provided by the Principal, as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.
 - d. The Bidder(s) / Contractor(s) of foreign origin shall disclose the name and address of the Agents / Representatives in India, if any. Similarly, the Bidder(s) / Contractor(s) of Indian Nationality shall furnish the name and address of the foreign principals, if any. Further details as mentioned in the "Guidelines on Indian Agents of Foreign Suppliers" shall be disclosed by the Bidder(s) / Contractor(s). Further, as mentioned in the Guidelines all the payments made to Indian agent / representative have to be in Indian Rupees only.
 - e. The Bidder(s) / Contractor(s) will, when presenting their bid, disclose any and all payments made, is committed to or intends to make to agents, brokers or any other intermediaries, in connection with the award of the contract.
 - f. Bidder(s) / Contractor(s) who have signed the Integrity Pact shall not approach the Courts while representing the matter to IEMs and shall wait for their decision in the matter.
- (2) The Bidder(s) / Contractor(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.

Section 3 - Disqualification from tender process and exclusion from future contracts.

If the Bidder(s) / Contractor(s), before award or during execution has committed a transgression through a violation of Section-2 above, or in any other form, such as to put their reliability or credibility in question, the Principal is entitled to disqualify the Bidder (s)/ Contractor(s), from the tender process, or take action as per the procedure mentioned in the "Guidelines on Banning of business dealings".

Section 4 - Compensation for Damages

- (1) If the Principal has disqualified the Bidder(s), from the tender process prior to the award, according to Section 3, the Principal is entitled to demand and recover the damages equivalent to Earnest Money Deposit / Bid Security.
- (2) If the Principal has terminated the contract according to Section 3, or if the Principal is entitled to terminate the contract according to Section 3, the Principal shall be entitled to

demand and recover from the Contractor, liquidated damages of the Contract Value or the amount equivalent to Security Deposit /Performance Bank Guarantee, whichever is higher.

- (3) The Bidder(s) agrees and undertakes to pay the said amounts, without protest or demur, subject only to condition that, if the Bidder(s) / Contractor(s) can prove and establish that the termination of the contract, after the contract award has caused no damage or less damage than the amount of the liquidated damages, the Bidder/Contractor shall compensate the principal, only to the extent of the damage in the amount proved.

Section 5 - Previous transgression

- (1) The Bidder declares that, no previous transgressions occurred in the last three years with any other company in any country confirming to the anti-corruption approach or with any other Public Sector Enterprises in India, that could justify his exclusion from the tender process.
- (2) If the Bidder makes incorrect statement on this subject, he can be disqualified from the tender process or action can be taken as per the procedure mentioned in "Guidelines on Banning of Business dealing".

Section 6 - Equal treatment of all Bidders / Contractors

In case of a joint venture, all the partners of the joint venture should sign the Integrity Pact. In case of sub-contracting, the principal contractor shall be solely responsible for the adherence to the provisions of IP by the sub-contractor(s).

Section 7 - Criminal charges against violating Bidders / Contractors

If the principal obtains knowledge of conduct of a Bidder or Contractor or of an employee, or a representative, or an associate of a Bidder or Contractor, which constitutes corruption, or if the Principal has substantive suspicion, in this regard, the Principal will inform the same to the Chief Vigilance Officer (CVO) and the CVO will take further necessary action as deemed fit in accordance with the CVC Manual.

Section 8 - External Independent Monitor

- (1) The Principal appoints competent and credible Independent External Monitor for this Pact after approval by Central Vigilance Commission. The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.
- (2) The Monitor is not subject to instructions by the representative of the parties and performs his / her functions neutrally and independently. The Monitor would have access to all Contact documents, whenever required. It will be obligatory for him / her to treat the information and documents of the Bidders / Contractors as confidential. He / she reports to the Chairperson of the Board of the Principal.
- (3) The Bidder(s) / Contractor(s) accepts that the Monitor has the right to access without restriction to all Project documentation of the Principal including that provided by the Contractor. The Bidder / Contractor will also grant the Monitor, upon his / her request and demonstration of a valid interest, unrestricted and unconditional access to the project documentation. The Monitor is under contractual obligation, to treat the information and documents of the Bidder /Contractor with confidentiality.

- (4) The Monitor is under contractual obligation to treat the information and documents of the Bidder(s) / Contractor(s) with confidentiality. The Monitor has also signed declaration on "Non Disclosure of Confidential Information" and of "Absence of Conflict of Interest". In case of any conflict of interest arising at a later date, the IEM shall inform Chairman, DPA and recues himself / herself from that case
- (5) The Principal will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the Principal and the Bidder / Contactor. The parties offer to the Monitor the option to participate in such meetings.
- (6) As soon as the Monitor notices, or believes to notice, a violation of this agreement, he / she will so inform the Management of the Principal and request the management to discontinue, or take corrective action. The Monitor can in this regard submit non-binding recommendations. Beyond this, the Monitor has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action.
- (7) The Monitor will submit a written report to the Chairperson of the Board of the Principal, within 8 to 10 weeks from the date of reference or intimation to him by the Principal and, should the occasion arise, submit proposals for correcting problematic situations.
- (8) If the Monitor has reported to the Chairperson of the Board of the Principal, a substantiated suspicion of an offence under relevant IPC / PC Act and the Chairperson of the Board of the Principal has not, within reasonable time taken visible action to proceed against such offence or reported it to the Chief Vigilance Officer, the Monitor may also transmit this information directly to the Central Vigilance Commissioner, Government of India.
- (9) The word "Monitor" would include both singular and plural.

Section 9 - Pact Duration

- 9.1 This Pact shall be operative from the date of signing of IP by both the parties till the final completion of contract of successful bidder and for all other bidders six months after the contract has been awarded. Issues like warranty, guarantee, etc. should be outside the purview of IEMs.
- 9.2 If any claim is made / lodged during this time, the same shall be binding and continue to be valid despite the lapse of this pact, as specified above unless it is discharged / determined by the Chairperson, DPA.

Section 10 - Other Provisions

- (1) This agreement is subject to Indian Law. Place of performance and jurisdiction is the Registered Office of the Principal, i.e. Gandhidham, Gujarat.
- (2) Changes and supplements as well as termination notices need to be made in writing. Side agreements have not been made.

- (3) If the Bidder / Contractor is a partnership or a consortium, this agreement must be signed by all partners or consortium members.
- (4) Should one or several provisions of this agreement, turn out to be invalid, the remainder of this agreement remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
- (5) Issues like Warranty / Guarantee etc. shall be outside the purview of IEMs.
- (6) In the event of any contradiction between the Integrity Pact and its Annexure, the Clause in the Integrity Pact will prevail.
